Lloyds Barbers opened their first shop in Odiham in March 2015 and has been a roaring success since opening the doors!

The shop is run by directors Charley and Si Lloyd. They have also opened a second shop in Hartley Wintney following on from the success of Odiham.

The company has received Xero training from Brayne, Williams & Barnard Limited t/a BWB. This has enabled them to be confident that they have an up-to-date picture of how their business is doing and manage both Payroll and VAT reporting obligations.

Sharon Brayne from BWB says "We are pleased to be assisting them with accounting and tax support as they can continue to grow. Xero is an online accounting software that connects you with your numbers, your business and your advisors. Anytime, anywhere from any device."
